

Quarterly Executive Report (Q4 2025)

Generated: 2026-05-07

Executive Summary

- Sci-Fi engagement increased notably in October–December driven by Stellar Run and Dark Orbit.
- Comedy underperformed in retention; reviews cite predictable plot and lower rewatch intent.
- Mumbai and Bengaluru show strongest engagement momentum across premium segments.

Recommendations

- Increase marketing concentration in top-performing cities for Sci-Fi titles.
- Pilot a comedy refresh strategy: stronger hooks in first 10 minutes, tighter episode cadence.
- Focus Q1 roadmap on Sci-Fi + Action bundles for premium upsell.
